

Hello!

Since 1999 UnitedScrip has helped nonprofit organizations across the states raise millions of dollars with our Scrip Program. Our Mission is to help you 'Make a Difference for your Organization.'

UnitedScrip is sensitive to the fact that for some groups, running or maintaining a traditional program is difficult or impossible. In life, we know the slogan 'One size fit All' is just too good to be true. We also know that when it comes to fundraisers, one size doesn't fit everyone either, and Scrip should not be the exception.

Finding a Fundraising Partner that will help you meet your group's specific needs and goals is a key element in your success and is just one of the reasons we are so excited about the addition of **two new programs**.

Newly formatted and offered exclusively by UnitedScrip to non-profit organizations the

ONE TIME FUNDRAISING PROGRAM

is a fresh new approach that is instantly recognized by members and is sure to energize a Scrip Program's appeal to your participants.
